## Columbus Police Podcasts: A little something for everyone

The Columbus Division of Police is proud to announce the debut of three (3) new projects utilizing podcasts as a communication platform to collaborate with the community. The podcasts are created and produced by Columbus Division of Police personnel. They can be listened to or downloaded on your phone or computer. Here's information about each podcast:

**Hosted by:** Community Liaison Officers Chris Riley & Brian Newsome

**Description:** Strengthening community relations comes in a variety of ways. Join Columbus Police Community Liaison Officers as they discuss a variety of topics related to safety, security and policing. Take away valuable information in this light-hearted, yet informative podcast.

---

**Hosted by:** Officers Greg Colarich & Stephanie Lubell & Deputy Chief Greg Bodker

**Description:** For every case that goes unsolved, a family remains without answers and potentially a killer remains free. Listen as those responsible for investigating the city's most serious crimes, shine a light on these cases and seek new information that may lead them to the answers.

---

**Hosted by:** Columbus Police Recruiting Unit

**Description:** Bold and unbound conversations from police officers with diverse backgrounds about everyday topics. Join CPD's Recruiting Unit officers as they talk about life and law enforcement with some laughter and real talk.
